

Spice market offers South east asian cuisine inspired by Michelin-starred chef Jean-Georges Vongerichten and is the ideal venue to host your event, whether it is a birthday party, wedding reception or corporate event.

The beautiful Globe dining room captures the perfect balance between old world ethnic and modern, contemporary architecture through ambient lighting, rich wood furnishings and comfortable seating. The private room accommodates up to 40 guests seated or 60 guests standing creating a cozy, casual setting perfect for any occasion. Spice Market is an ideal alternative to the corporate boardroom environment for breakfast, lunch or dinner. We can accommodate meeting and presentations with audio visual requirements, canapé and cocktail gatherings, or a team building workshop with a live chef demonstration or cocktail competition.
